MVP Health Care invites all Capital Region residents and visitors to attend a free noontime organ concert featuring "Goldie" -- Proctors mighty Wurlitzer Organ on the Mainstage at Proctors.

These seasoned musicians will demonstrate the marvels of "Goldie", an 18 voice, three-keyboard instrument that includes a full set of percussion Instruments and a grand piano that can be played from the organ console.

Since the installation of Goldie, Proctors has maintained a chapter of the American Theater Organ Society, which provides the services of the Organists who perform Proctors noontime concerts, as well as the crewmembers who maintain Goldie.
