'Jersey Boys' comes to Proctors for three-week run

'Jersey Boys' musical tale of The Four Seasons

By Michael Eck

"Jersey Boys," which opens a three-week run at Proctors on Tuesday, is a musical biography of the band, containing dozens of favorites like "Rag Doll," "Walk Like a Man" and "December 1963 (Oh, What A Night)."

Co-librettist Rick Elice says that the program notes go so far as to include a list of songs the writers wanted to use ("The Ones That Got Away"), but just couldn't because of time constraints.

"Even with 33 songs in the show, we still had to put that list in the Playbill simply because the show would have been too long."
