

Gala Pro Instructions:

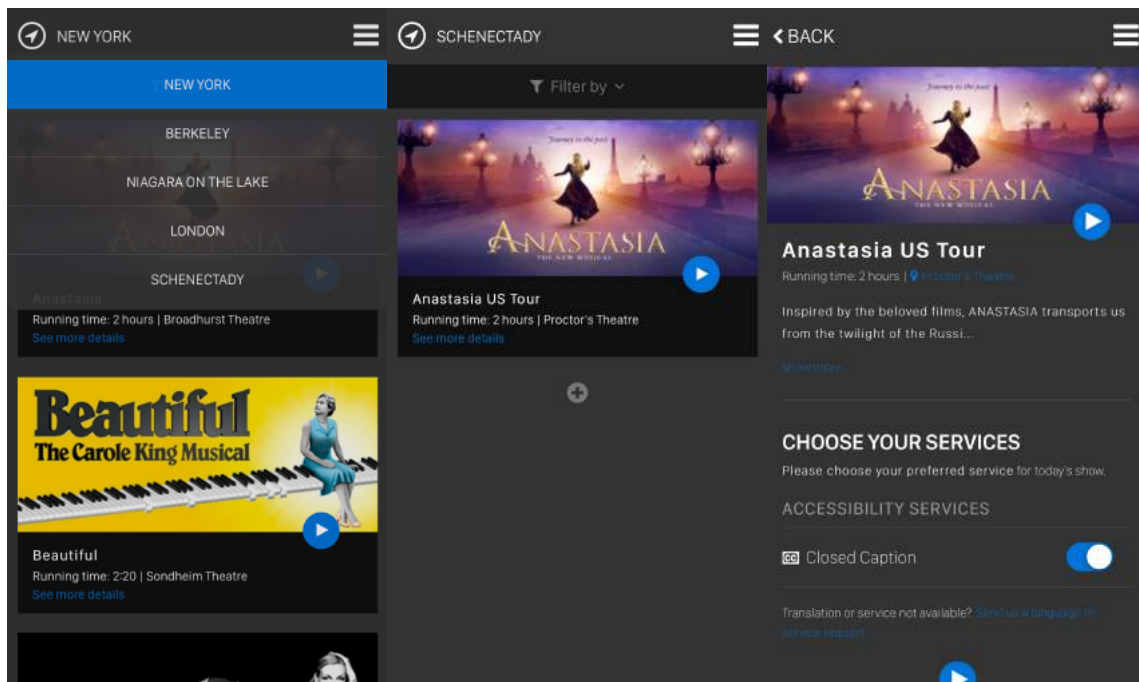

1. Go the App Store in Google play or Apple store and download the “GalaPro” App.

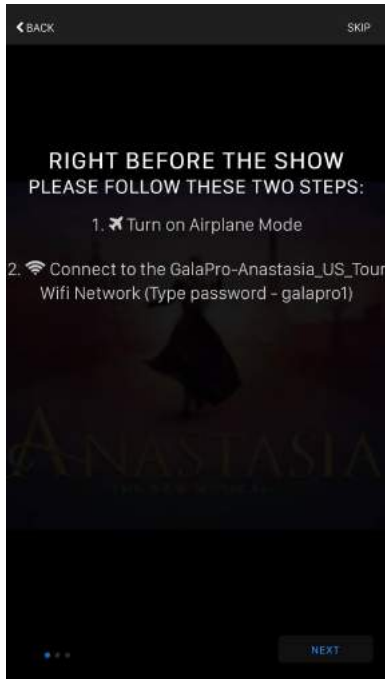

2. After the app has been installed, open the GalaPro app.
 - a. A welcome screen will appear the first time you use the app. Choose “Get Started Now”
 - b. If this is your first time using the app create an account, or “Login” if you have an existing account.

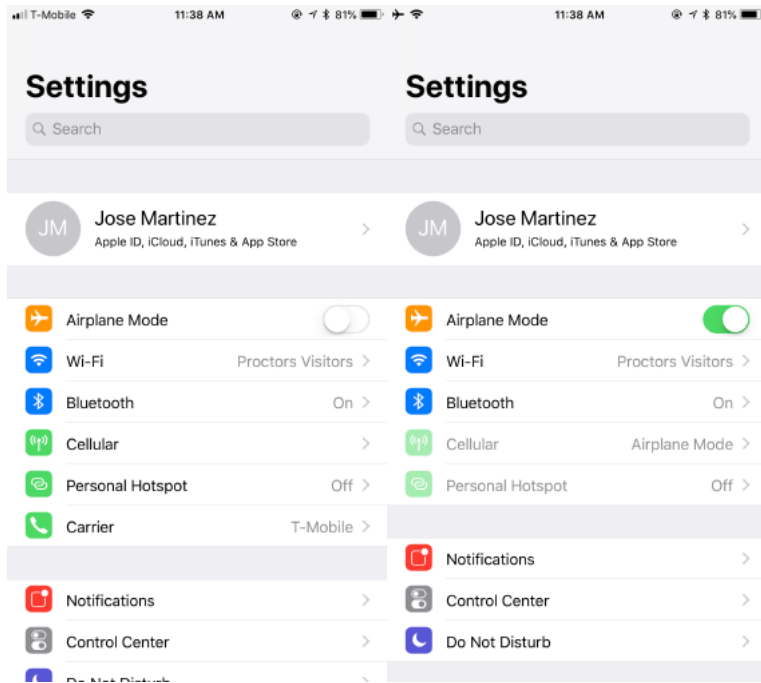

3. After logging in, you must select your location in the top left corner menu as Schenectady; Then select Anastasia

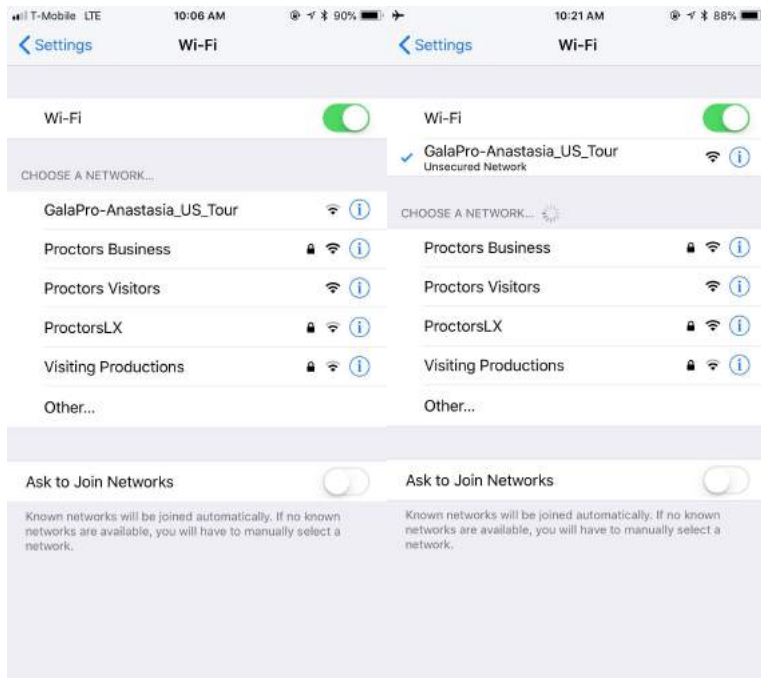

4. Press the play button

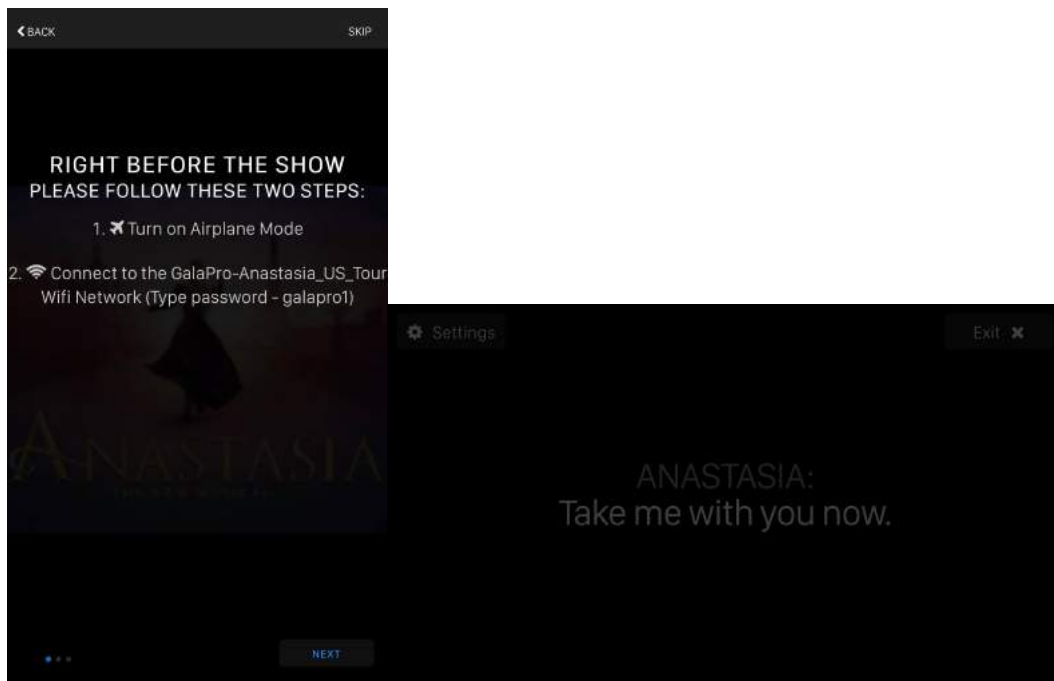

5. Select airplane mode on your device under “Settings”. Airplane mode will allow you to have wireless access but not phone service.

6. After switching to airplane mode, select the wi-fi network “GalaPro-Anastasia_US_Tour”.

7. After connecting, open the GalaPro app and select next on the screen.

8. Having trouble reading the text? Select “settings” on the top left corner to change text size and adjust screen brightness.

9. And you're done, enjoy the show!

Troubleshooting

1. Make sure after opening the app you're in the GalaPro network.
2. If you disable airplane mode to check your phone during intermission, you will need to repeat these steps to reload GalaPro.
3. If your battery dies, Proctors has a charging station located in the arcade.
4. This app will only work on Iphone 5 and Android 7.0 and up.
5. If you're having trouble downloading the app on the Proctors Visitors Network, we recommend you use your own network to download the app.
