

SCHENECTADY, NY

D D : 42.811322, -73.942201

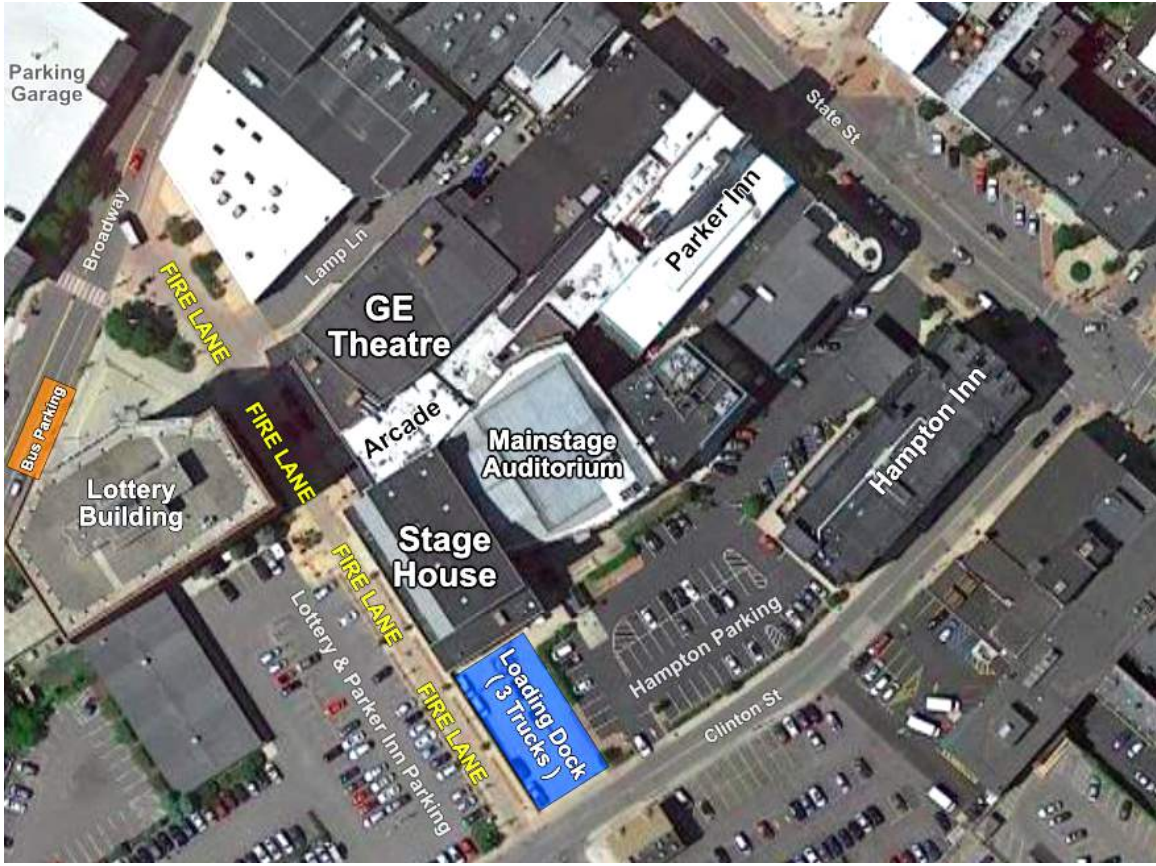

#### **DRIVING DIRECTIONS FOR PRODUCTION VEHICLES**

Rt. 890 to Broadway exit. Follow signs for Proctors. At the first traffic light stay in the center lane and continue on Broadway. Turn right on Clinton. The loading doors will be on your left at the intersection of Clinton and Smith Streets.

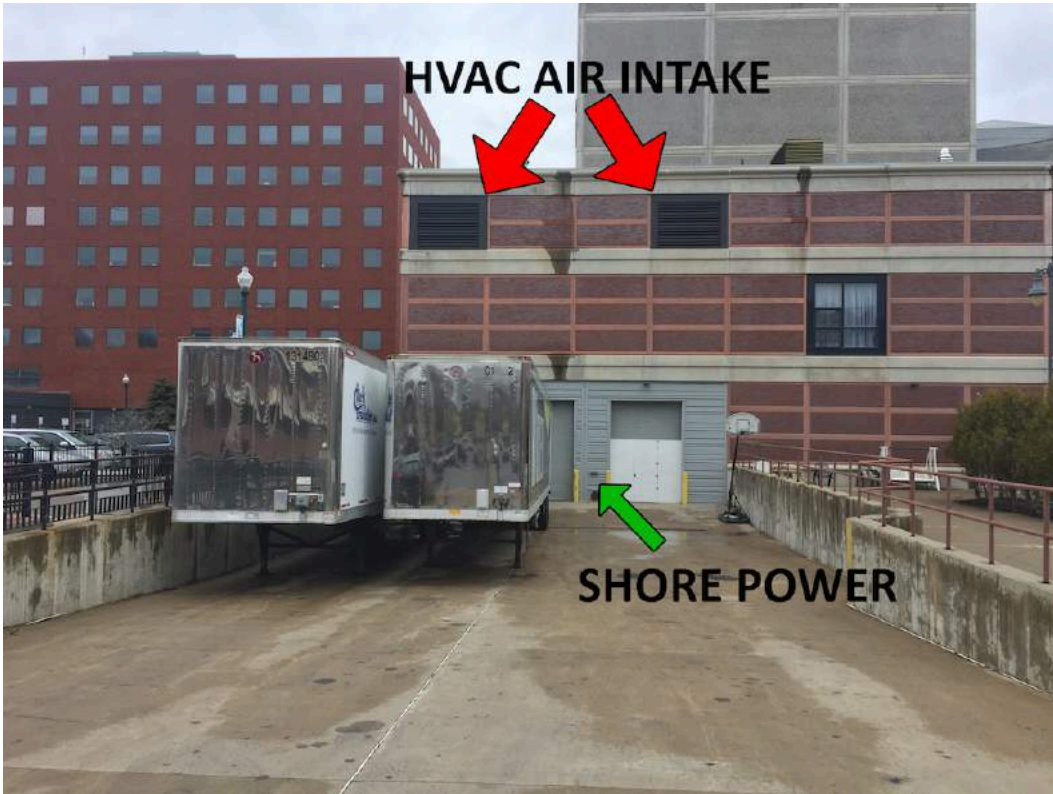

DO NOT approach the venue from Erie Blvd. There is a low bridge on State St.

#### **ALTERNATIVE FOR LONGER VEHICLES**

Continue on Broadway past Clinton and turn onto Stratton Plaza(just past the Lottery Building on your right). Drive up the FIRE LANE along side the venue and pull up onto Smith Street and back into the loading area. This avoids a tight right turn onto Smith from Clinton.

**As of 5/16 SPD is no longer allowing us to park vehicles on Stratton Plaza. Bus parking is limited to the loading dock and on Broadway in front of the Lottery Building.**

### **LOADING DOCK SHORE POWER**

Due to the close proximity of the building air intake to the loading dock, we ask that you hook into shore power to prevent exhaust from getting sucked into the building. Our house electrician will coordinate with your drivers to hook in to the two (2) 50amp outlets located between the second and third loading doors. Two (2) additional 50amp circuits are available with advance notice.
